## HARVEST FUN DAY

We started our Fun Day by feeding chickens and going on a bumpy hayride. The children and adults had an enjoyable time in the garden digging potatoes, carrots, beets, and harvesting corn, zucchini, squash and tomatoes.

After everyone found a pumpkin to take home, we finished off our morning in an inflatable Castle Bounce House. A good time was had by all. Thanks to all the parents who joined us and helped in the supervision.

## PARENT MEETING WAS WELL ATTENDED

Our fall Parent Meeting featured a DVD about Montessori from American Montessori International which was followed by a video of our children at work in our classroom. The parent meeting provided great information to prepare us all for observations and conferences. The DVD is available for check out through our Parent Lending Library.

## Thanksgiving Feast

We will be having our annual Thanksgiving feast on Wednesday, Nov 24<sup>th</sup>. The meal is provided by Dylan's mother and grandmother. The produce is all grown fresh from his grandmother's garden. We will be asking each child to contribute to the decorations by bringing in a gourd, fall artificial leaves, or some sort of thanksgiving item of decoration to prepare for this festive occasion. Children may start bringing in their items any time from Nov 1<sup>st</sup> through 23<sup>rd</sup>. The decorations will adorn our table for our meal at 11:00 on Wednesday. NOTE: All afternoon children will need to make arrangements to join us in the morning that day. Morning children can be picked up at 11:30.

## Maria Montessori Quote

“Never help a child with a task at which he feels he can succeed.”

Montessori Services fund raising items are scheduled to arrive next week. Thanks to all of you who ordered.
