Classroom News

- Valentine's Day is coming! Please help your child write his or her own name on the valentine and if possible, help them to label the envelope with each student's name. You may dot each letter to make it easier. The children are getting pretty good at recognizing each other's names. They will use these visual discrimination skills to sort the valentines into the correct valentines bag.
- Here is a class list including both am and pm classes
Corina, Teegan, Briggs, J.J., Maddie, Ian, Jimmy, Ellen, Tate, Isaiah Ryder, Jaelynn, Tatum, Zoha, Jaxson, Ridgly, Atlas, Will
- We all enjoyed our Chinese New Years celebration at the end of January, some of the children were drummers and others were part of the dragon. We even used snap pops to add a little excitement- outside of course!
- Tuition Payments - We hope that you have been enjoying being able to use the click on payment features of our Quick books statements. We appreciate those of you who hung in there while we got the "bugs" out of our start up month/months. In addition, we are now able to accept credit cards. We now have a swiping device to aid in taking your tuition payments. Miss Jillian will be sending out the end of year statements to use for your tax purposes. Montessori School of Aberdeen tax ID number is 800386617.
- We are still looking for guest readers to come in and share a favorite book with the children. This can be a great activity for older siblings, grandparents etc.
- We would love to have a parent volunteer to help with the checkout system and re-shelving books. It may include occasional book scanning as well.

February Events

Valentine's Party and Sing at the Senior Center

**Friday, February 14
10:45-11:00**

Museum
Thursday, February 20
9-10**

**Parent Meeting
Monday February 24
6:30-7:30**

Maria Montessori Quote

“Of all things, love is the most potent.” ~ Maria Montessori

Reminders

Please make sure your child has snow gear at school so we can enjoy the fun winter provides while staying warm. A spare pair of socks is a great idea once it snows.

Remember to check the Aberdeen American News website or Hub City Radio.com for weather-related announcements. We follow the Aberdeen School District with regard to closures and late starts. In the event of a 2 hour late start, children who are morning only are welcome to bring their lunch and stay for the afternoon session along with the full day children..

Ellen Orr on February 6
