

Authorization Forms

Use of Students Pictures

Consent is hereby granted to the Montessori School of Aberdeen for the use of news releases, photographs, digital images involving my child individually. These images may appear in various publications or school web pages. This authorization will remain in effect until further notice to the contrary by the parents/guardian.

I GIVE MY PERMISSION TO AUTHORIZE USE OF STUDENT PICTURES

Field Trips

I understand that field trips and excursions may be taken during the school year for educational purposes. (All trips will be announced by newsletter or reminder notice several days in advance to give adequate notice to parents preceding field trip). Unless I so advise the teacher in writing in the case of a proposed trip, it is my desire that my child shall take such excursions and field trips. The teacher shall exercise due care and caution in providing for the safety of her pupils while on such excursions. It is understood that I hereby release the teachers of the school from liability for any injury my child may sustain on such trips or excursions and agree to hold said teacher blameless, beyond exercise of due care and caution, in the event of any such injury.

Student Conduct: I understand that all rules and regulations governing student conduct remain in effect while my child is on the field trip and that my child must be dressed properly and protected appropriately for the environmental conditions.
