

A Note from Miss Susan

DEAR 2017-2018 MONTESSORI PARENTS

Welcome everyone to the 2017-18 school year. We have a great year ahead. Our wonderful Montessori materials and environment are being enjoyed in full swing. We have our Spanish program continuing with Miss Elizabeth, now speaking only Spanish in the classroom for a wonderful immersion experience for the children. Jessica Martinez will be doing Zumba activities with us during the year. The Kindergarteners will start SPURS riding classes this month. Stay tuned for information on school picture day with Miss Tracy.

Corey Holt & Joe Hawkins were instrumental in helping to install the new fence for the playground at the Calvary Church future campus. Thank you Corey and Joe!!!

We will be having a parent work day and a parent meeting during the month of September please plan to join us, pick up our Small Hands Fundraiser Catalog and become involved in our school, You can help this be the best learning environment in the city of Aberdeen!

Lokith | Sep. 17th
Sully | Sep. 18th
Lily | Sep. 19th
Ella | Sep. 28th

More Classroom News

WELCOME STUDENT TEACHERS

We have a few different student teachers working with us this fall. Natalie Bierman is an Early Childhood Education Major who has a love for children and animals, which will be a perfect fit for our Montessori classroom!

Dede Taylor, also from the Northern State School of Education will be with us on Thursday mornings starting September 14th until mid-November and is very excited to work with the children and the school.

We are also excited to be working with a student of the NSU Confucius Institute who will bring Chinese language and culture learning opportunities into our classroom!

SMALL HANDS FUNDRAISER

We will be getting our catalogs for our Small Hands fundraiser this month. Prepare to find some educational and useful items for gifts or practical daily use. We will do a group order which will allow us to have free shipping. The points accumulated from your orders will give us the opportunity to buy more materials for the classroom!

The Montessori staff and some parents took the opportunity to gain skills in learning adult, child, and infant CPR, AED and choking, brought to us by the Avera Education Center.
